
Aedan Shamblin

941 Woodland Ave ♦ Hubbard, OH 44425 ♦ 330.367.7909 ♦ aedanshamblin@gmail.com

Objective

To obtain an internship in the field of electrical engineering for Summer 2026.

Education

Youngstown State University (YSU) Youngstown, OH College of Science, Technology, Engineering, and Mathematics (STEM) Rayen School of Engineering – ABET Accredited
B.E. in Electrical Engineering

- Expected Graduation: May 2028 • Current GPA: 3.31 / 4.00

Significant Coursework

Digital Circuits	Logic Systems Design	OrCAD Technology
Circuit Theory 1&2	Digital Circuits Lab	Instrumentation and Computation Lab 1&2

Computer Skills

Electronic Circuits	MATLAB	OrCAD/PSpice	C++
Soldering	Breadboarding	Microsoft Office Suite	PCB Design

Significant Projects

YSU – Youngstown, OH

Digital Circuits Lab, Spring 2024

Multiplexed 1-Bit Hexadecimal Counter

- Designed and built a 1-bit hexadecimal counter using multiplexers, resistors, and logic ICs.
- Constructed and assessed the circuit on a breadboard to verify logic and display functionality.

MATLAB Thermocouple Algorithm

Engineering Concepts Fall 2025

- Developed a MATLAB program to analyze temperature-time data collected from a thermocouple.
- Applied the program to multiple heating and cooling datasets to ensure consistent and reliable results.

PCB Circuit Design

Instrumentation and Computation Lab I, Fall 2025

- Worked with peers to find the Thevenin equivalent of a DC circuit and simulate the equivalent circuit in PSpice.
- Utilized OrCAD CIS Allegro software to design and create a PCB schematic of the simulated circuit.

Work Experience

Lead Stock Associate, Mr. D's Food Fair, Brookfield, OH,

March 2021 to March 2026

- Coordinate and lead a team responsible for stocking multiple store departments efficiently.
- Demonstrate leadership, delegate tasks, resolve problems and mediate team issues to maintain productivity.

AI Software Specialist, Handshake AI

February 2026 to Current

- Work with audio, videos, and text to help train AI systems to work more accurately.
- Demonstrate discipline, time efficiency, and resolve problems to maintain productivity.
